

Message from the Principals

Welcome to Central Community Elementary School! Our teachers and staff are honored and excited to work with you and your children as they begin their paths in formal education in RSU 64. RSU 64 is a community that values children and education, and we are very much looking forward to meeting each of you, learning about your children, and helping to nurture their lifelong love for learning.

A child's greatest chance for success lies in a successful partnership between home and school. Therefore, we encourage you to explore the many ways in which you can connect with Central Community Elementary School. Opportunities include regularly discussing the day's events with your child, looking through backpacks and folders daily, volunteering in a classroom, joining the CCPTO, our parent group, and participating in special events. Please keep in mind that, if you would like to volunteer at school or attend field trips, applications must first be completed through the RSU 64 District website, to ensure the safety of all of our students.

We have an exciting, interesting year ahead of us, filled with many new experiences. Our goal is that every child feels safe, valued, and successful. We encourage you to stay connected and keep your child's teacher informed of any concerns. If you have any questions, please feel free to contact us.

Dawn Nickerson, Principal
Kerri Wyman, Assistant Principal
